

From Director's Desk

From Director's Desk

Season's greetings to All!!

Congratulations!! CIPLite for great 2nd quarter of FY '19-'20. We have again delivered on our commitments across various projects in different states in spite of numerous hurdles and challenges. One of the major highlights for this quarter is bagging the highway lighting project from our prestigious client ABL at Ranasthlam-Anandpuram Road Project (RARP) in the state of Andhra Pradesh. The project has very stiff deadlines but I am confident that CIPL will once again meet every challenge head on and deliver the same with perfection.

In Punjab State, we are working with Airport Authority of India (AAI) on lighting project of Chandigarh airport along with ABL for lighting project of Kharar-Ludhiana Toll Plaza. Moving towards Maharashtra, we are nearly on completion with PKG-3 and PKG-6 lighting projects

of our client HG Infra and started with the lighting project of PKG-7 in July month.

In addition, we are also working with our newest client Shivalaya Construction Company Pvt. Limited for electrical utility shifting project near Gondia in Maharashtra. Furthermore, I am excited to announce that CIPL has entered into a new field of interior works by bagging the interior work project for upcoming Reliance Trends outlet in Kotputli, Rajasthan. I am certain that we will leave our mark in this field of work as well.

I wish everyone the best for the upcoming quarter!

- Devvrath Singh

CIPL for CSR

Companies that operate strong CSR activities tend to drive customers' attention to buy products or services regardless of the price. As a result, this increases the competition among firms since customer is aware of the company's CSR policies. These practices serve as a potential differentiator because they not only add value to the company, but also to the products or services. Furthermore, firms under intense competition are able to leverage CSR to increase the impact of their distribution on the firm's performance. Lowering the carbon-footprint of a firm's distribution network or engaging in fair trade is potential differentiators to lower cost & increase profits. In this scenario, customers can observe the company's commitment to CSR while increasing company sales.

As per the section stated in Companies Act 2013,

the companies having net worth of INR 500 Cr. or more; or turnover of INR 1000 Cr. or more; or net profit of INR 5 Cr. or more during any financial year shall be required to constitute a Corporate Social Responsibility. Despite of the fact, CIPL is committed towards the criticality of the environment. In order to continue with sustainability, the CIPL Ambition is working on Paperless Project. By collecting the waste papers in collection box, awareness has been created amongst the employee of going paperless & also economically using the paper. The building has been certified with IGBC & is proudly carrying the award by its act toward the environment by going with PAPERLESS POLICY. The AMBITION is totally self-dependant which is based on energy positive, water positive & zero discharge concepts.

स्वतंत्रता दिवस समारोह भारत में किसी उत्सव से कम नहीं है। ऐतिहासिक दिन देश और विभिन्न समुदायों के लोगों को एक साथ बांधता है। यह राष्ट्रीय दिनों की सूची में जबरदस्त आधार रखता है क्योंकि यह हर भारतीय को एक नई शुरुआत की याद दिलाता है। इस दिन 1947 में, भारत ने 200 से अधिक वर्षों के ब्रिटिश उपनिवेशवाद के

चंगुल से आजादी प्राप्त की थी।

15 अगस्त की चमकदार सुबह, CIPL ने भारत का 73 वां स्वतंत्रता दिवस मनाया। हेड ऑफिस को तिरंगे के थीम से सजाया गया था। प्रवेश द्वार को बायो-डिग्रेडेबल रंगों से बनी त्रिकोणीय रंगोली से सजाया गया था। यह दिन राष्ट्रीय ध्वज फहराने, राष्ट्र गान गाने और स्वतंत्रता सेनानियों के संघर्षों को याद करके मनाया जाता है जो देश के लिए अपना जीवन लगाते हैं।

AL FRESCO MEAL

A successful team outing helps to solidify bonds between colleagues, and gives them opportunities to communicate & collaborate outside of the workspace. While team building activities can be executed in the office, a team building eliminates certain communicative boundaries that exist in that space. A focus can be placed on overall morale, positivity, & personal growth as a team.

CIPL believes in such team growth & bonding & thus encourages the CIPLites with their families to join for excursion. On sunny morning of 28th July at 9 a.m., the HO staff went to Sunrise Health Resort near Delhi-Chandwaji-Ajmer Highway. The picnic started with lot of fun activities. Various games like cricket, football,

antakshari & housie were planned for the CIPL crowd. Young ones were the one who enjoyed the resort facilities with their heart content starting with playing cricket till diving in the swimming pool; they were jollified with the trip & are looking forward for such trips. Families of the CIPLites enjoyed the day well with winning the game of Housie. Mr. Shailendra Garg & his wife won Rs. 100 & stood 1st followed by Mr. Dinesh Mathur winning Rs. 50 & Mr. Chetan Dadhich bagged Rs. 20 standing at 2nd & 3rd position respectively.

The crowd was back at 5:30 in the evening after a scrumptious lunch & with some more jolly memories of CIPL Family.
