

From Director's Desk

Season's Greetings to everyone!!

I want to begin by wishing everyone a very happy new year. May the year 2021 bring good health and joy into each and everyone's life.

The year 2020 posed the toughest challenge ever in CIPL's history. With the whole country in lockdown for nearly two months, our business was also impacted. Despite this, we have come on the other side of tough times only because of the "never say

die" spirit of our CIPLions. I want to express my gratitude to all of you for standing together in the year gone by.

The last quarter of 2020 brought joy with new orders of electrical utility shifting in the state of Uttar Pradesh (Shamli-Muzzafarnagar, Panipat-Shamli & Aligarh-Kannauj) for our esteemed client GRIL as well as added a new client in our portfolio (Welspun Enterprises Limited) with the Highway Lighting project of Delhi-Panipat Highway being awarded to us. We also bagged the prestigious, one of a kind project of installation of 1.6 MW off-grid hybrid solar plant on Meerut-Dasna Expressway from GRIL.

I am certain that our CIPLions will keep delivering as they always have and soar higher in 2021!

Yours,
Devvrath Singh
Director

Get Set Go (GSG) MEET, 2020

CIPLions participated with full fervour in the 5th Get Set Go Meet (GSG), 2020. This GSG Meet was a unique one as for the first time ever the Meet was held virtually. Considering the on-going Coronavirus pandemic, the management decided to hold the Meet via online teleconferencing platform called ZOOM. All the on-site members of the CIPL Family joined the meet from their respective sites while the HO employees took part from the HO itself. The Meet was kick started by our Director Mr Satyavrat Singh who delivered the Welcome Speech.

The GSG Awards Segment was hosted by Mr Devvrath Singh, Director. Like the last year, we collaborated with GrowTrees.com which provides a platform for companies and individuals to plant trees through the internet. Through this, a tree was planted in the name of every winner in Delhi, India. And the best part is that the awardees can trace their trees with the

help of the certificate numbers on their awards. Mr Shankar Pareek (HO) and Mr Ajit Singh Yadav (on-site) were awarded the CIPL Star Employee of the Year – 2020. Both the Star Employees were awarded a cash prize of Rs. 25,000 each. A year-in-review video was played which was brilliantly made by the young Mr Samarth Pareek, son of our HO employee Mr Shankar Pareek. Our General Manager, Mr Chetan Dadhich sang the CIPL Song. Lastly, Mrs Sujata Gangwar, Chairperson delivered the Vote of Thanks.

A beautiful cake designed as a highway with solar plants and a CIPL engineer was cut at HO which was followed by lunch. Post lunch a small informal gathering was held where different games were played followed by Ms. Gargi Banerjee's melodious song and Mr. Abhijit Patra's dance moves. The GSG Meet ended on a positive note and hope that we can get bigger and better next year!

Daily Temperature Monitoring

CIPL for Health Care

During the COVID-19 pandemic, more than ever, protecting the health and lives of our employees is at the forefront. As it is rightly said, "Prevention is better than cure". Keeping this in mind, CIPL installed an automatic hand sanitizer dispenser at the HO premises. The contactless sanitizer dispenser can spray alcohol-based hand rub sanitizer solution for sanitization of hands while entering the office complex. This provides a quick and effective method for employees to ensure hand hygiene which is an important step towards fighting Covid-19. Regular screening of body temperature for everyone is done before they enter the office premises. The pulse-rate and oxygen level is also checked and monitored by our reception staff on a daily basis.
