

## 4th Annual Business Consolidation Meet - Dubai Trip

### From Director's Desk

Season's Greetings to everyone!!

CIPL kicked off the first quarter of FY 19-20 with the Annual Business Consolidation (ABC) meet which took place in Dubai this year. The meeting was a great success in reviewing the previous year's achievements as well as shortcomings and a lot of good ideas were circulated so as to make the company's working more efficient.

On the project front, with the near completion of Ropar-Phagwara utility shifting project in Punjab,

we have bagged two new projects – High Mast Lighting work at Chandigarh Airport and Lighting work of Khara Ludhiana Toll Plaza (of our esteemed client ABL). In addition, the work at our lighting projects near Nagpur of our client HG Infra is in full swing. We are also seeking to add a new client to our portfolio – Shivalik Construction Company Private Limited by actively seeking to bag a new utility shifting project in Bhandara (Maharashtra).

Furthermore, In Rajasthan we are executing Lighting, Pedestrian Guard Rail (PGR) and Bus shelter work at Jalore-Balotra stretch for our client HG Infra and in Gujarat we are executing ATMs work for our client ABL. I am extremely proud that we are able to execute such diverse range of projects in different states of the country and I hope that we continue to spread our wings further in the coming months.

Yours Truly

- Devvrath Singh

# Sustainability @ CIPL

Sustainability activities is incredibly important to us. However, it can be really tricky to know where to start. First, we need to help understand what sustainability is. Sustainability basically boils down to understanding the impact that we have on the earth, and what we leave for future generations.

We know that sustainability can encompass a

number of things, from recycling to gardening, and in being resourceful with products and items that we use. Here we are explaining some activities about sustainability that we are doing at

Jaipur head office building "**CIPL Ambitions**":

**1. Plantation :** During CSR program our team participated in plantation work on connecting road of office building.

**2. Water Management :**

**a. Rain Water Harvesting :** In our building, we have a provision of 100KL rain water storage tank and we have collected approx. 70 KL rain water in last rainy season. Our building total water requirement is 200 KL and we fulfilled our 35% water requirement in a year by rain water.

This year we are expecting good rainy season so that we can store approx. 95 KL Rain water that will fulfil approx. 50% water requirement.

**b. Sewerage Treatment Plant :** From STP, we are treating 5 KL water daily. This treated water is using for flushing. In this manner, 2.5% of total water requirement is fulfilled by STP.

**c. Use Waterless Urinals :** The average urinal uses approx. 3.5 liters of water for each flush. A single urinal

can use approx. 25 KL water each year. (That estimate is based on a building with a few dozen male employees each using the urinal three times a day.)

Whereas, waterless urinals save a 42% of flushing water. They really do operate without water. The only water needed is a small amount roughly 1 liter used to flush the drain line as part of regular maintenance.

**3. Photovoltaic solar power generation:** Our building's total electricity consumption in a year (June, 18 to May, 19) is 48,000 Units. In which, 24,000 Units we have generated from our 25kW roof top photovoltaic solar system. This is a great effort that we are generating 50% of total consumption from solar.

Now, HO team is trying to reduce power consumption e.g. improve habit to switch off electrical appliances when not in use, keep AC temperature at 25°C etc. So that we can achieve the target to generate 75% of total consumption by solar.

**4. Make A Mini Greenhouse :** We have developed a roof top kitchen garden where we cropped coriander, mint, tomato, bottle guard etc.

Along with this our office premises has surrounded from various plants. This will help to reduce atmospheric temperature.

Now, we are moving a step ahead and about to start waste management by recycling food waste, proper uses of papers and their proper dispose-off etc. So, team "**GO ON A GREEN WALK**" and preserve our natural resources for future generations.

## 4<sup>th</sup> ABC Meet

CIPL की 4th ABC Meet 18 अप्रैल 2019 से 21 अप्रैल 2019 तक दुबई में आयोजित की गई थी। यह दूसरी बार था जब CIPL ABC बैठक के लिए विदेश गया था। पूरी यात्रा बहुत ही अद्भुत थी और CIPL

टीम ने इस यात्रा का आनंद लिया। प्रबंधन ने CIPL के 19 कर्मचारियों को आमंत्रित किया और कुछ कर्मचारियों के परिवार भी इसमें शामिल हुए। टीम ने दुबई के कई लोकप्रिय स्थानों जैसे दो क्रूज क्रीक, डेजर्ट सफारी, बुर्ज अल अरब, दुबई शेख

जायद रोड, दुबई मरीना, दुबई मॉल, बुर्ज खलीफा, दुबई फाउंटेन और कुछ अन्य पर्यटन स्थलों का भी दौरा किया। 19 अप्रैल, 2019 को होटल हॉवर्ड जॉनसन में सुबह के समय वार्षिक व्यापार एकीकरण बैठक आयोजित की गई। कुल मिलाकर यह यात्रा आनंददायी थी और सभी को यह यात्रा बहुत पसंद आई।

## RAJASTHAN

**1. Nagaur - Mukundgarh Project (GRIL)** - The team of CIPL has completed 100% of the work of electrical shifting on six State Highways under this Electrical Utility Shifting Project, which we have received from GRIL in Rajasthan. The length of these six roads has been completed by the team of CIPL, with about 450 KM 900 tower 2500 poles. The total cost of this work is about 12.50 crores. This NAMU project team includes - Mr. Shailendra Garg (Technical Head), Mr. Pawan Jangid, Mr. Nitant Gupta, Mr. Vikram, and Mr. Santosh.

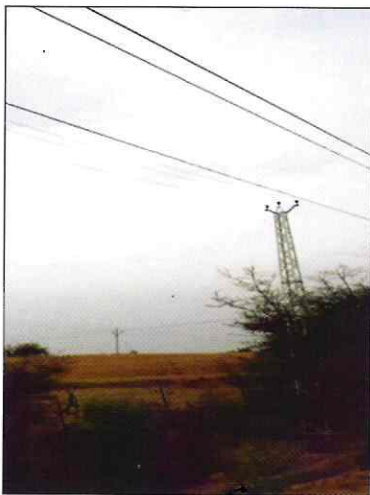

**2. Manoharpur - Dausa Project (HGIEL)** - HG Infra Engineering Ltd. Has given CIPL the second work of highway lighting in Manoharpur, Dausa. Our team has completed 100% work while working hard and diligently. The team involved in this project-Mr. Chetan Dadhich, Mr. Shahnawaj, Mr. Vaibhav Vyas, Mr. Prashant Kumar

**3. HT Line Hotel Work (GRIL)** - This work has completed 100% of our team. Under this work, we got the work of constructing the 11 KV HT line and the work of the design structure of 33 KV. And the cost of this work is 1.9 Cr. . The team involved in this project-Mr. Shailendra Garg (Technical Head), Mr. Prashant Kumar, Mr. Vikram Singh.

**4. Raisingh - Pugal Project (GRIL)** - This work of GR is going on in 2 districts of Rajasthan. In which Raisingh Nagar, Anupgarh, Gharasana is in Sriganganagar district and Chattargarh is in the Bikaner district . The total length of this work is 164 KM and its total cost is 6.5 Cr. . Now 40% of the work is completed now. The team involved in this project - Mr. Shailendra Garg (Technical Head), Mr. Nitant Gupta, Mr. Santosh and Mr. Mukesh.

**5. 1010 KVA DG Set Work (RCDF)**- This work order has been received from RCDF Ajmer. This is the work of 1010 KVA DG set supply and foundation work is in progress, cost of project is 78 lakhs. The team is involved in this task - Mr. Chetan Dhadhich, Mr. Prashant Kumar.

**6. HT Work In PHED Project (OIL)** - This work order has been received from Offshore Infrastructure Ltd. Cost of this project is 1.75 Cr. It is going to be executed in Parbatsar. Said project is headed by Mr. Dinesh Mathur and their execution team members are Mr. Prashant Kumar, Mr. Ashutosh Sharma.

## GUJARAT

**1. Dwarka-Probandar Project (GRIL)** - CIPL team has completed 95% of electrical utility shifting from GRIL to Dwarka to Porbandar upto four lane. The total cost of this project is 15.80 Cr.. By January 31, 2019, the team has worked 13 crores. In this work, there is a work of about 64 KM road on the Four Lane road, out of which 122 crossings and 95 km is the common line. Our team has faced many difficulties in the work due to coastal and rocky areas, our team has almost completed in 6 months. The rest of the work is due to public issues. Members of this project team are: Mr. Shailendra Garg (Technical Head), Mr. Abhinav Manek, Mr. Shisharam Shema, Mr. Vikas, Mr. Rajendra Mavalia and Mr. Prabhati Lal

**2. ATM Project (Safeway Concessions)** - CIPL has received electronic work of automatic traffic management system from SAFEWAY CONCESSIONS under highway development in Gujarat State. ATM technology is being used to improve traffic safety. Safeway has given CIPL 3 package of ATM electrification work done by NHAI in Gujarat state. In this, CIPL got cable supply and cable inserts. In this we are using Smart Feeder Pillars. The

cost of this work is 13.50 Cr. and 90% work has been completed on package 7,8 and 70% work has been done on package 9, the team is working hard on this project day and night. The members of this project team are: Mr. Chetan Dadhich, Mr. Shisharam Shema, Mr. Abhinav Manek, Mr. Umesh Krishnia, Mr. Vishal Mishra, Mr. Sukhrum.

**3. Electrical Utility Shifting Project at DFCC Project (IRCON)** -This is the work of the Electrical Utility Shifting Project, under which the work of Parallel Overhead and Underground Crossing was completed in the city of Vapi in Gujarat state. The total cost of this project is 6 Cr. . The main members of this project are: Mr. Asit Gupta (Operations Head), Mr. Divanshu Mudgal, Mr. Vikas Kumar.

**4. TOT Project (ABL)** - CIPL has got Ashoka Buildcon Limited / NHAI Project of Highway Lighting in Gujarat state. Which was accomplished by CIPL team and worked hard to complete 95% work. The cost of this project is 8.5 million. The main members of this project are- Mr. Chetan Dadhich, Mr. Abhinav Manek, Mr. Junid, Mr. Shahnwaj, Mr. Nazre Alam, Mr. Rajesh Choudhary, Mr. Suresh Yadav.

## JHARKHAND

**1. Ranchi Discom Project (ABL)** - CIPL has received the work of utility shifting of Ashok Buildcon

Ltd in Ranchi city of Jharkhand state. This work is the task of improving the old line of power and putting new lines. This project has a work of 33 KV of 30KM, 11 KV of 35 KM HT lines and LT line 41 KM. 30% of this project has been completed. The team involved in this project- Mr. Shailendra Garg, Mr. Shambhu Kumar, Mr. Amresh Yadav, Mr. Ranjit Baraik.

**2. Dhumka – Hans Disa Project (ABL)** – CIPL has received the work of Lighting of Ashok Buildcon Ltd. This work has been completed with a cost of 41 lakhs. The team involved in this project- Mr. Shailendra Garg, Mr. Shambhu Kumar, Mr. Amresh Yadav, Mr. Ranjit Baraik.

## UTTRAPRADESH

**1. Pratapgarh - Allahabad Project (GRIL)** - In this project of Electrical Utility Shifting, our team has completed 95% work while working diligently and diligently. The total cost of this project is about 12.36 Cr. This project team includes Mr. Chetan Dadhich (Head), Mr. Ajit Singh, Mr. Rahul Sharma and Mr. Ankush Kumar.

**2. Varanasi Sangam Expressway Project (GRIL)** - This electric shifting work from GRIL is divided into two parts - Allahabad and Bhadohi - and water pipeline shifting work is divided into three departments - Allahabad, Bhadohi and Varanasi - 95% part of this project has been completed. And 26.33 Cr. cost of the project. The members included in this team are: Mr. Chetan Dadhich (Head), Mr. Ajit Singh, Mr. Lokesh Kumawat and Mr. Prakash Chand Khara

## MAHARASHTRA

HG Infra has received CIPL's work of 2 Lighting Project on Nagpur Maharashtra. The total cost of this project is 7.90 crores.

**1. Highway Lighting (HGIEL) PKG-3 (Katol to Warud)** - The installation of 258 pole on PKG-3 and 11,376 meter cabling has been completed. Almost 41% work is completed

**2. Highway Lighting (HGIEL) PKG-6 (Saoner to Mandar)** - The installation of 272 pole on PKG-6 and 10,882 meters of cabling has been completed. Almost 34% work is completed.

The members of this project team are: Mr. Devvrath Singh, Mr. Pradeep Singh and Mr. Praveen Sharma.

## PUNJAB

**1. Rupnagar – Phagwara Project (GRIL)** - Four lane road is being constructed from Phagwara to Rupnagar in Punjab State, it is the Electrical Utility Shifting Project of GRIL. This work is going on at NH 344A, which includes the main city of Ropar, Nawanshahar, Banga, Phagwara Balachor. 95% of the work has been completed. The cost of this project is total. Our team is working hard with this project. This project team includes Mr. Shilendra Garg (Technical Head), Mr. Jarnail Singh, Mr. Devvrath Singh, Mr. Bhanwar Lal and Mr. Kulvir Singh.

**2. Kharad – Ludhiana Project (ABL)** – CIPL got 2 toll plaza work by ABL. Its cost is approximately 1 Cr. . This Work has started from May 25, which has been completed by 20% . This project team includes Mr. Shilendra Garg (Technical Head), Mr. Jarnail Singh, Mr. Bhanwar Lal and Mr. Kulvir Singh.

## CIPL EZEE EAT CENTER

CIPL कर्मचारियों के हित में एक और कदम उठाया है। Head office में एक कैंटीन शुरू की है "CIPL EZEE EAT CENTER", जहाँ पर CIPL के कर्मचारी Instant Food और Packed Food का आनंद ले सकते हैं। यह कैंटीन खासकर उन लोगों के लिए है जो Site से Head Office में कुछ समय के लिए आते हैं या वह लोग जो किसी कारणवश खाना नहीं ला पाते हैं या उनके लिए जो कुछ अलग जायेके का आनंद कभी कभी लेना चाहते हैं।

"Leisure is not always relaxation and it is relaxation that counts"

## Cricket Match

वर्ल्डकप के मौसम में CIPL ने भी इस बार क्रिकेट का लुत्फ उठाया और Challenge किया एक बार फिर VR Group टीम को। मैच का आयोजन अजमेर रोड स्थित "Sanctuary Garden" में 22nd जून को किया गया। सभी लोग सुबह लगभग 5:30 बजे तक एकत्रित हो गए और ग्राउंड पर सबसे पहले पहुँचकर Mr. Prahalad Sharma ने 500/- की इनाम

राशि "1st Early Bird" बनकर हासिल की और Mr. Chandra Prakash Gurnani और Mr. Ashutosh Sharma us "2nd Early bird" बनकर दोनों ने 250 /- की राशि प्राप्त की। मुकाबला टक्कर का था और जीत CIPL ने हासिल की। CIPL टीम के काम करने का ज़ुब्बा ऐसा की मैच के बाद सभी ने ऑफिस आकर पूरे दिन काम किया।

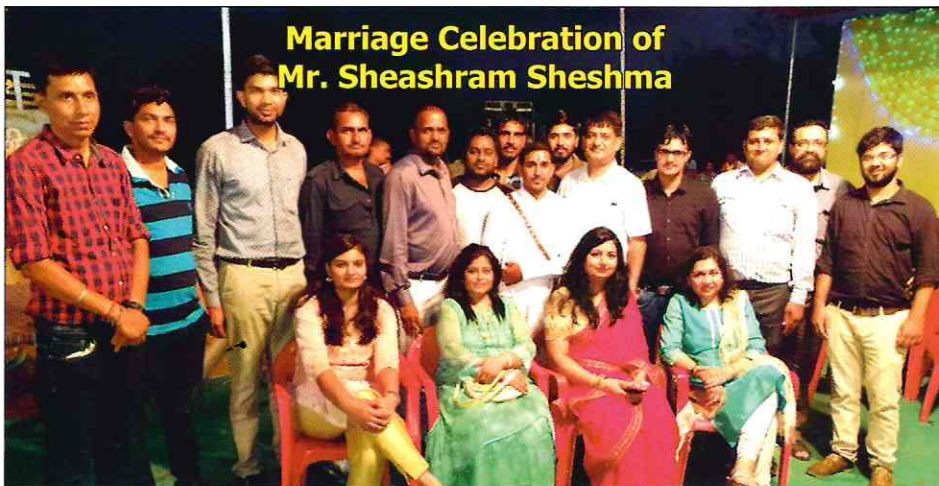

## CIPL FAMILY HAPPY MOVEMENTS

**Birthday Celebration of Mr. Chetan Dadhich**

**Birthday Celebration of Mr. Nand Singh**

**Birthday Celebration of Mr. Manesh Pareek**

**Birthday Celebration of Mr. Ajit Singh Yadav**

## Our New Projects

1. Name of Work : Electrical Utility shifting Project –  
Gondia, Maharashtra (SCC)  
Value: 7 Cr.
2. Name of Work: Electrical utility Shifting Project,  
Madhy Pradesh (GR)  
Value: 16 Cr.
3. Name of work: Electrical Utility Shifting Project,  
DKD (GRIL)  
Value: 16 Cr.
4. Name of work : Chandigarh Airport Runway,  
Punjab (AAI)  
Value: 50 Lacs
5. Name of work :  
(A) Electrical Utility Shifting Project,  
Shamli – Muzaffarnagar (GR)  
(B) Water Utility Shifting Project,  
Shamli – Muzaffarnagar (GR)  
Value: 10 Cr.

## Shining Stars of Last 3 Months

**Mr. Vikas Suthar**  
**Graduate Engineer Trainee – Electrical**  
Mr. Vikas Suthar won the award of “Employee of the Month” for April 2019. He has been awarded for showing great diligence and hard work at projects.

**Mr. Nitant Gupta**  
**Project Manager**  
Mr. Nitant Gupta won the Award of “Employee of the Month” for May 2019. He has been awarded for his extraordinary performance in finance department at projects.

**Mr. Manesh Pareek**  
**Manager-Purchase & Store**  
Mr. Manish Pareek won the Award of “Employee of the Month” for June 2019. He has been awarded for his hard work.
