

**CIPLions celebrated Makar Sankranti at the newly opened Cafeteria – The Grub Club**

## From Director's Desk

### Season's Greetings to everyone!!

What a roller-coaster ride FY 20-21 was! Safe to say that it was one of the most challenging one ever for all of us. It was a year in which we as a company have had to dig deep, see through the tough times, and most importantly **innovate**. Beating all odds, and with the ever-present threat of Covid-19, we

have delivered on our ongoing projects (water & electrical utility shifting / Highway Lighting) in the

states of M.P, U.P, Gujarat, Maharashtra, Andhra Pradesh & Punjab. This has been possible only due to the “never say die” attitude of our team... Our CIPLions.

Solar energy is the future and realizing this we have started to aggressively venture in this field. The prestigious project of installation of 1.6 MW Solar plant at Dasna-Meerut Expressway is nearing completion and we have also bagged a new project of SITC work of solar pumping systems in the state of M.P for our esteemed client GRIL. The outlook for Solar is highly positive for the coming years, For the FY 2021-22, we have set ambitious goals, one of them being to achieve the elusive 100 cr. turnover. I am sure that with the constant hard work and dedication of our team, we will surely achieve it and more.

Yours,  
**Devvrath Singh**

## KAI PO CHE .. !!

The festival of kites – Makar Sankranti was celebrated with much enthusiasm in CIPL. It coincided with the inauguration of our in-house cafeteria exclusively for our employees called The Grub Club. The ribbon-cutting was done by our

Chairperson Mrs. Sujata Gangwar followed by cake cutting, kite flying and snacks. All employees enjoyed the winter sun and munched on hot daal-pakoras. The cafeteria is a multipurpose café where one can sit and work as well.

## Cricket Match

CIPL organised a cricket match for the employees on the 9th of January, 2021. The match was played against VR Power at Harmada Cricket Stadium. VR Power won the match against tough fight from CIPL.

Spectators included family members who enjoyed the cold winter morning sipping hot tea and munching on snacks followed by lunch.

## Where there is a WOMAN, there is MAGIC

CIPL celebrated International Women's Day on the 8th of March. The women in our team were honoured with

flowers and chocolates. The celebration was beautifully arranged by our new member Ms. Saloni Choudhary.

## Dipped in hues of love and trust has come the festival of Holi

The Holi festival commemorates the victory of good over evil. This year we hope that this virus harrowing the world burns away with Holika Dahan. CIPL celebrated Holi in a different way this year. There was minimum usage of colours to avoid being touched by a lot of people. We celebrated by sharing a cold glass of thandai and snacks. Everybody sang and danced with fervour. This festival was like any other Indian festival – made us bond together as a family.
