

CIPL celebrated Independence Day with zeal and enthusiasm.

From Director's Desk

Season's Greetings to everyone!!

I hope all of you and your loved ones are doing well in these tough times.

The past 18 months have been one the toughest periods throughout the world irrespective of the field. We at CIPL have also faced our own set of challenges but I am extremely proud of the way we have gelled as a unit and seen this phase through.

I believe that our field of business is more competitive

now than ever before. This calls for us to innovate, work harder and smarter in order to achieve our targets. The need of the hour is to diversify and CIPL has acted upon this and is currently working in various sectors – ranging from Electrical/Water Utility Shifting, Highway Lighting, Bus shelters, Solar Energy to Toll Plaza building construction across 11 states in India.

In addition to this, we have recently laid renewed emphasis on diversifying our client portfolio as well. I am excited to announce that we have bagged new projects with two new clients – with Ravi Infraprojects Private Limited (RIPL) & PNC Infratech.

I sign off by wishing everyone good health and a successful third quarter of FY 21-22.

Yours,

Satyavrat Singh

Director

Mr. Yogendra Nigam was welcomed by our Chairperson Mrs. Sujata Gangwar.

He focused on topics like how to identify the barriers in one's life that stops one from achieving their goals. He also talked about how we must focus on tasks which are important and manage time properly.

An Induction training was held for the new recruits. The training sessions were headed by Mr. Asit Gupta supported by Mrs. Sneha Singh and team. The new CIPLions were taught about the company policies and importance of QUALITY.

CIPL Clothes Donation Drive

A small gesture by us can be a boon for the poverty stricken, deprived people to stay happy during the cruel summer / winter season. CIPL decided to help the less fortunate and show generosity by donating clothes to keep the deprived ones comfortable in harsh

summers and winters. The CIPL Clothes Donation Drive was held in the month of September and it was met with an overwhelming response! The clothes were donated to an NGO called "Indra Kusth Ashram" that helps people with leprosy.
