

CIPL celebrated it's 6th Get Set Go Meet, 2021

From Director's Desk

2021 proved to be yet another year of success and milestones for CIPL. Looking back at it, I am proud to say that we completed the Solar Project of Dasna-Meerut (DAME) on time despite challenges of procurement and labour due to COVID-19. In addition, we also set foot into a completely new field of work by taking up the construction work of TOLL PLAZA Building at VANANA Toll Plaza near Porbandar, Gujarat.

Furthermore, we have kept expanding our client portfolio throughout the year and bagged projects from new clients such as Ravi Infra & APCO Infratech. I am confident that we will deliver for them and grab multiple orders as we always have.

All this would not have been possible without all of you : Our CIPLions ! I would like to take this opportunity to thank all of you for your continued dedication and hard work and I sign off by wishing even further heights for all of us in the coming year 2022 !!

Yours,
Devvrath Singh
Director

Get Set Go (GSG) MEET, 2021

Current Infraprojects Private Limited celebrated its 6th Get Set Go (GSG) Meet, 2021 on the 25th & 26th December. CIPLions await this annual meet every year which coincides with CIPL's foundation day ie. 31st December. This year the meet was a two-day event. The first day, we played a cricket match between our head office employees and our on-site employees. The Head Office team was named HO Hustlers and the on-site team was named Site Spinners, respectively. Despite the tough fight HO Hustlers gave the opponent team Site Spinners came out as the winner. Mr. Mohd Junaid took the highest number of wickets and was also the highest scorer – which made him the Man of the Match. The award ceremony ended with the declaration of the 'Early Bird Award' winners. The 'Early Bird Award' was given to employees who reported on the cricket ground between 6:45 AM to 7:00 AM and marked their attendance with the correct location.

The award was a cash prize of Rs. 1000, Rs. 750 and Rs. 500 for the 1st / 2nd / 3rd early birds respectively. Mr. Shivraj Singh Rajawat won the 1st prize. Ms. Bhumika Jeithiwal won the 2nd prize. The 3rd prize had a tie – so we used a lottery system and Mr. Bundu Khan won the prize. The whole team then had lunch together at the ground – arranged by the Mr. Shankar Pareek. While we had fun during the 1st half of the day The second half was for some learning and development. A training session was held at Head office on the topic "How to achieve financial freedom". The session was taken by renowned training & development mentor & speaker Mr. Yogendra Nigam. He talked about how saving and investing money is important from the very beginning of our careers. It was a motivating session and it enlightened us as to how not everything is *subject to market risks*. This was followed by revelry and dinner at our cafeteria The Grub Club in the evening.

Get Set Go Meet 2021

The main highlight of the Get Set Go Meet is the Award and Reward Ceremony. This year it was held at Sanskar Hotel. Mr. APS Rathore, Senior Professor in the Department of Mechanical Engineering, Malaviya National Institute of Technology Jaipur, India was kind enough to grace us with his presence as our Chief Guest along with his wife Mrs. Rajyashree Rathore. The event was supposed to be held on the open-air grounds the hotel, but the rain played spoilsport. It started drizzling just as we were about to start our main event. However, the rain could not dampen the

spirits of our team. Everyone started helping each other and with in minutes we managed to set up a temporary arrangement in the banquet hall of the hotel. Though we could not have the grand event we had planned to have but the true fighter spirit of each CIPLion showed us that its not the material aspects that maken event grand. Its out team and the bind we share with our CIPL Family. Everyone made sure that we have our share of fun in every way possible. The award ceremony was hosted by Mr. Devvrath Singh. The Management congratulates all the winners and encourage the others to try harder the next time.
