

CIPL celebrated Holi at HO with organic colors.

From Director's Desk

Season's Greetings to everyone!!

As FY '23 draws to a close, I would like to look back at the financial year gone by and review our performance. We have gone through many ups & downs in this FY but as always, we have stayed true to our commitments & delivered excellent results for our clients. This was only possible because of the unwavering commitment and dedication of our CIPLions who travel the length & breadth of our country to ensure our projects get completed on time.

The highlights of this FY

include the bagging of prestigious projects such as Solar work for Border Security Force (BSF) in the state of Tripura, Tunnel Project for DRA in the state of Odisha & numerous projects including one in Vaishali Nagar, Jaipur for Reliance (TRENDS outlet interior works). We also completed and successfully handed over many projects such as lighting works of Sakkar chowk (Maharashtra), Lighting and solar works of Delhi-Vadodara Expressway PKG-4 (Rajasthan) & VANANA Toll Plaza building (Gujarat).

Going forward in FY '24, opportunities are plenty for us to grow. The landscape is ripe for EPC Business in Road sector and I am certain that we can further spread our wings. With that, I would like to wish everyone best of luck for the upcoming FY..

Keep working hard..! Keep Growing..!

Yours,

Devvrath Singh
