

**Participants for 7th ABC Meet at Jaipur International Airport, ready for Thailand**

## From Director's Desk

### Season's Greetings to everyone!!

It is with immense pleasure that I share with you

all that we have closed FY 2022-23 with an annual Turnover of 72 crores. I would like to congratulate all CIPLions who have contributed in their own way to this achievement. It is due to all of you only that our company, Current Infraprojects Pvt. Ltd has grown from scratch to this milestone in just 9 years.

It is also a matter of pride that we have incorporated ERP as a core part of our working culture. It will certainly provide us with the necessary boost to rise further and hit our target of this Financial Year i.e., 100 Crore Turnover.

We keep growing on the projects front and I am happy to announce that we have bagged two new solar projects (Total capacity – 410 KWp.) from Indian Railways at the start of this F.Y. In addition, we have bagged two new lighting projects: one in West Bengal (Barwa – Adda) and one in Kollam, Kerala (Client – SCC).

**Lets Keep Growing and spreading our wings even further in the next Quarter...!**

Yours,

**Devvrath Singh**

Director
