

CIPL celebrated 77th Independence Day at Head Office, Jaipur

From Director's Desk

Season's Greetings to All...!!

The second Quarter of F.Y 2023-24 has brought a lot of joy for us as we have booked new Govt. orders – Indian Railways , Izzatnagar Division (On-Grid Solar works) as well as booked two new orders of Construction of Toll Plaza Administration Building for BGCC & Safeway Concessions in the states of Haryana & Rajasthan. This is testament to the fact that we are spreading our wings wide and diversifying our portfolio in the process as well.

Our CIPLions have worked really hard up to now and we are aggressively working to meeting the target of 100 Cr turnover by the end of this financial year. The road ahead is not easy, a lot of challenges await us but I am once again confident that our dedication & hard work will ensure that we will overcome them all and achieve our goals as were set in ABC Meet 2023.

Wishing you all a very happy Diwali & Festive season in advance...!

Keep dreaming & keep achieving...!!

Yours,
Devvrath Singh 
Director

Uniting in Patriotism

As Independence Day is a holiday, we celebrate 'Traditional Day' in office a day before Independence Day. On this day, we encourage all employees to come dressed in traditional Indian clothing. The office transforms into a kaleidoscope of colours, with colleagues wearing intricate bandhani sarees, vibrant kurta-pajamas adorned with Sanganer prints. We wish all our colleagues a joyous Traditional Day and look forward to celebrating our country's Independence Day together with renewed pride and enthusiasm! On the 15th of August Current Infraprojects Private Limited proudly joined the nation in celebrating India's 77 th Independence Day at Head Office, Jaipur. The Indian Flag was hoisted at the HO by our Director Mr. Devvrath Singh, followed by the singing of our National Anthem. The highlight of the day was a series of patriotic songs and Cultural Dance Performances by Mrs. Neelam Mishra and Daughter, Ms. Gajal and Ms. Urvashi among others. After a day filled with inspiring performances and heartfelt tributes, everyone in the office came together in a spontaneous burst of energy and enthusiasm, dancing to patriotic songs that resonated with the heartbeat of our nation. The day ended on a sweet note as boxes of delectable sweets were distributed among our dedicated employees.

NEWS FROM CIPLIONS

HEAD OFFICE

OPERATIONS DEPARTMENT...?

The implementation of a quarterly Employee Performance Appraisal system at CIPL's Operation Department is a significant step toward enhancing employee productivity and ensuring alignment with organizational goals. By utilizing Key Responsibility Areas (KRAs) that are distributed to employees at the start of each quarter, CIPL is providing employees with a clear understanding of their job roles, targets, and the path to achieving their tasks. This structured approach not only helps in setting expectations but also allows for continuous feedback and improvement. The use of KRAs ensures that performance evaluations are based on specific, measurable objectives, fostering a more transparent and objective appraisal process.
