

CIPL celebrated the 75th Republic Day of India.

From Director's Desk

Season's Greetings to All...!

As we enter the new Financial Year (2024-2025), I would like to take this moment to first congratulate all CIPLions for an incredible FY 23-24!

We scaled new heights in the last financial year by bagging multiple government projects such as Solar On-Grid Projects to a tune of 1.5 MWp from various divisions of Indian Railways (NWR, NER & CR) & Solar works at Central University of Rajasthan from NHPC (~ 1 MWp). In addition, we successfully completed the Solar works at India-Bangladesh Border for BSF & completed a major chunk of the Utility works in Kerala for our prestigious client SCC.

The focus for the new FY is complete working on ERP, Quality driven work culture & 100% client satisfaction. I urge all CIPLions to follow this & I am sure we will spread our wings further in FY 2024-25.

Stay Safe! Work Hard & Party Harder..!!

Yours,
Devvrath Singh 
Director
