Message from the Director

As we conclude Financial Year 2025–26, I extend my sincere congratulations to our team, stakeholders, and investors for a successful year.

Despite global challenges and uncertainties, we have delivered strong results and fulfilled our commitments. This achievement reflects the dedication and resilience of our CIPLions, and I thank each one of you for your contribution.

I am proud to share the successful completion of a 1.2 MWp On-Grid Solar Power Plant for North Western Railways (Jodhpur Division), along with 1360 kWp and 1320 kWp projects in the Jaipur Division. These milestones reinforce our commitment to supporting India's renewable energy goals. As we enter Financial Year 2026–27, we move forward with renewed energy, confidence, and a clear focus on achieving greater heights.
