INDEPENDENT AUDITOR'S REPORT

TO

THE MEMBERS OF

CURRENT INFRA TALABERA SOLAR PRIVATE LIMITED

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

OPINION

We have audited the financial statements of **CURRENT INFRA TALABERA SOLAR PRIVATE LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2025, and the Statement of profit and loss and Statement of cash flows for the year ended, and Notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its loss and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

OTHER MATTER

The company is doing installation of Solar Plant of 2.52 MW at Talabera village in Phalodi, Rajasthan which is under progress whose financial expenses are included in the Financial Statements of the Registered Office and duly audited by us for the year ended on 31st March 2025.

OTHER INFORMATION

The Company's Board of Directors is responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon on such information.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. Paragraph 41(b) of this SA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 41(c) explains that when law, regulation or applicable auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses, and is not inconsistent with, the description of the auditor's responsibilities below.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the

Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

ANNEXURE - B TO THE AUDITORS' REPORT

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of **Current Infra TALABERA Solar Private Limited** ("the Company") as of 31st March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A

company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Significant Accounting Policies

Note no: A

Company Information:-

CURRENT INFRA TALABERA SOLAR PRIVATE LIMITED ('the Company') is a private limited company incorporated under the Companies Act, 2013 on 22nd June 2024 as wholly owned subsidiary of Current Infraprojects Limited. The Company is registered with the Registrar of Companies, Rajasthan and installation of Solar Plant of 2.52 MW at TALABERA village in Phalodi, Rajasthan is under progress.

I Basis of preparation of Financial Statement:

i. Accounting Policies :-

The entity followed three accounting concepts – going concern, consistency and accrual. The financial statements are prepared under the historical cost convention and in accordance with the accepted accounting standards. Expected losses or market-to-market losses are not recognized unless permitted. Accounting policies are not changed without a reasonable cause. Although these estimates are based upon management best knowledge of current event & actions, accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of the changes in circumstances surrounding the estimates. Changes in estimates are reflected in financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to accounts to Financial Statements.

ii. Valuation of Inventories :-

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

The stock of Work-in-progress is valued on estimated cost basis and finished goods of the business have been valued at the lower of cost and net realizable value. The cost has been measured on the actual cost basis and includes cost of materials, custom duty and cost of conversion to its present location and conditions. All other inventories of stores, consumables, raw materials are valued at landed cost. The stock of scrap is also valued at realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Stock - in- Transit is valued at cost.

iii. Construction Contract :-

Construction contract is **not** applicable on the entity as company is not doing business of construction.

iv. Revenue Recognition :-

The company follows the mercantile system of accounting and recognizes income and expenditure on accrual basis as a going concern. Revenue from billing of electricity units is recognized when the sole or final act takes place and the supply of electricity becomes chargeable as per contract agreement. Interest income is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.

v. Property, Plant & Equipment :-

(a) Tangible Assets:-

Fixed assets are stated at their original cost of acquisition less accumulated depreciation and impairment losses. Cost comprises of all costs incurred to bring the assets to their location

CURRENT INFRA TALABERA SOLAR PRIVATE LIMITED
A-27, BASANT VIHAR, VAISHALI MARG (WEST), PRITHVIRAJ NAGAR JAIPUR RJ-302012
CIN:U35105RJ2024PTC095472, Ph No.: 91 141-6762066, Email : CIPLTALABERA@gmail.com

and working condition and includes all expenses incurred up to the date of commercial utilization.

Subsequent expenditure related to an item of fixed assets is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gain or losses arising from derecognition of fixed assets are measured as the difference between net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit & loss when the asset is derecognized.

(b) Intangible Assets:-

Intangible Assets are carried at cost less accumulated amortization and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase/completion is recognized as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of asset.

(c) Depreciation and Amortization:-

Fixed assets are stated at cost less depreciation. Cost of acquisition is inclusive of freight, duties and other incidental expenses. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Salvage Value of the assets has been taken @ 5% of Original Cost as prescribed in Schedule II. Depreciation on additions during the year is calculated on pro rata basis.

(d) Impairment of Assets

An asset is considered as impaired in accordance with Accounting Standard 28 on Impairment of Assets when at balance sheet date there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the asset's net selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of profit and loss.

vi. Foreign Currency Transaction:-

Transactions in foreign currency are recorded at the rate of exchange in force on the date of the transactions. Current assets, current liabilities and borrowings denominated in foreign currency are translated at the exchange rate prevalent at the date of Balance Sheet. The resultant gain or loss is recognized in the Statement of profit and loss.

vii. Government Grants :-

Grants are accounted as per AS 12. However, Company has not received any grant.

viii. Securities:-

The company has not acquired any securities in exchange of any fixed asset. Also securities are not held as stock in trade.

ix. Borrowing Cost:-

Borrowing costs include interest, fees and other charges incurred in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition/construction of qualifying assets are capitalized as part of the cost of such asset up to the date when the asset is ready for its intended use. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Statement of profit and loss.

x. Provisions, Contingent Liabilities and Contingent Assets :-

Provisions are recognised for liabilities that can be measured only by using substantial degree of estimation, if the Company has a present obligation as a result of past event, a probable outflow of resources is expected to settle the obligation and the amount of the obligation can be reliably estimated. Contingent liability is disclosed in case of a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation, a present obligation arising from past events, when no reliable estimate is possible and a present obligation arising from past events, when the probability of outflow of resources is not remote.

Contingent Assets are neither recognized nor disclosed. Provisions & contingent liabilities are reviewed at each Balance Sheet date.

II. Taxes on Income

Income Tax expense for the year comprises current tax and deferred tax. Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year.

The deferred tax results from "timing difference" between taxable and accounting income is accounted for using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets and liabilities are offset if such items relate to taxes on Income levied by the same governing tax laws and the company has a legally enforceable right for such set-off. The deferred tax asset is recognized and carried forward only to the extent that there is a virtual certainty that the asset will be realized in future as per AS 22.

III. Cash Flow Statement

Cash Flow Statement is prepared in accordance with the indirect method prescribed in Accounting Standard (AS) 3 on 'Cash Flow Statements'

IV. Leases

Where the Company is the lessee

Lease where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Lease Rentals with respect to assets taken on 'Operating Lease' are charged to the Statement of profit and loss on a straight line basis over the lease term.

Leases which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item are classified as finance lease. Assets acquired on 'Finance Lease' which transfer risk and rewards of ownership to the Company are capitalized as assets by the Company at lower of fair value of the leased property or the present value of the minimum lease payments.

Amortization of capitalized leased assets is computed on the Written Down Value method as per rate envisaged in Schedule II to the Companies Act, 2013. Lease rental payable is apportioned between principal and finance charge using the internal rate of return method. The finance charge is allocated over the lease term so as to provide a constant periodic rate of interest on the remaining balance of liability.

Where the Company is the lessor

Leases in which the company transfers substantially all the risks and benefits of ownership of the asset are classified as finance leases. Assets given under finance lease are recognized as a receivable at an amount equal to the net investment in the lease. After initial recognition, the company apportions lease rentals between the principal repayment and interest income so as to achieve a constant periodic rate of return on the net investment outstanding in respect of the finance lease. The interest income is recognized in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.

Leases in which the company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognized in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.

V. Employees benefit

Provident Fund of the Regional Provident Fund Commissioner is a defined contribution scheme, and contribution made to Regional Provident Fund Commissioner is charged to Statement of profit & loss. Liability towards Leave Entitlement Benefit is not provided by the Company. As stated by the management that leaves accrued in a year lapses automatically if not availed.

VI. Investments

Investments are classified as long term or current based on intention of the management at the time of purchase.

Initially investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges. Dividend re-invested in case of mutual funds is added to the value of investment in mutual funds while corresponding credit is recorded in the Statement of Profit and Loss.

Current investments are carried in the financial statements at lower of cost and fair value. Long-term investments are stated at cost. A provision for diminution is made to recognize a decline, other than temporary, in the value of long-term investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit & Loss.

VII. Earnings Per Share

The Company reports basic and diluted Earnings per Share (EPS) in accordance with Accounting Standard - 20 on Earnings per Share. Basic EPS is computed by dividing the net profit or loss for the year by the weighted average number of Equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.
