ABC MEET 2026 – Listed to Lead

On 9th April 2026, CIPL celebrated ABC Meet 2026, recognizing employee excellence across nine award categories. The event honored the organization's top performers, with the Top 13 employees earning a fully sponsored trip to Bali. The evening featured an inspiring address by the Managing Director, the CIPL Theme

Song by Mr. Chetan Dadhich, which was phenomenal as always, a musical performance by Mr. Sagar Lalwani and team, and a gala dinner hosted at Yahvi – The Farmhouse. The event was a memorable celebration of achievement, teamwork, and success.

Message from the Director

As we reflect on the achievements of FY 2025-26, I extend my heartfelt congratulations to all CIPLions for their dedication and outstanding efforts. Together, we achieved a turnover exceeding ₹165 Crores, a remarkable milestone that reflects the commitment and perseverance of our entire team.

While global uncertainties continue to pose challenges, I am confident in our collective ability to deliver excellence and achieve even greater success.

The award of new RDSS projects in Rajasthan provides a strong foundation for growth and will play a significant role in helping us achieve our targets for FY 2026-27. Also, the successful completion of the North Western Railway 1320 kW and 1360 kW solar projects further strengthens our portfolio and reinforces our commitment to supporting India's green energy transition.

With a strong project pipeline and an exceptional team, I look forward to a successful and rewarding FY 2026-27.

On World Environment Day 2026, CIPL launched a unique Tree Adoption Initiative, where employees not only planted saplings but also adopted them and committed to their care and growth. To encourage long-term participation, our CMD announced a cash prize for the employee whose adopted tree is found to be the healthiest and most thriving on World Environment Day 2027.

This initiative has inspired employees to actively nurture, protect, and take ownership of their adopted trees, reinforcing CIPL's commitment to sustainability and environmental responsibility.
